**Default Keyboard Shortcut Reference**

## Default keyboard shortcuts in rekordbox Performance mode

---

In rekordbox, default keyboard shortcuts are preset exclusively for the Performance mode. This setting is different from those in the Export mode.

There are two kinds of default keyboard shortcuts:

- Performance 1 (Preset)
- Performance 2 (Preset)

### 1.1 Customized assignment

---

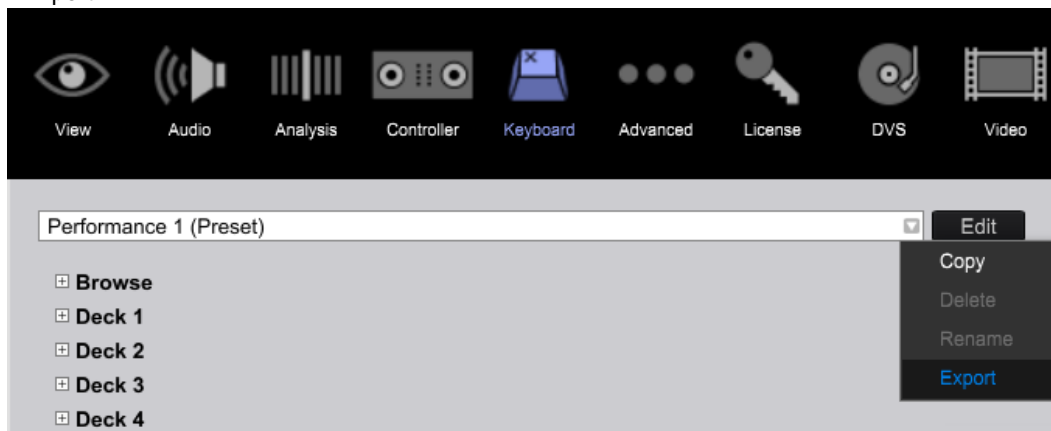

You can customize the assignment at [Preferences] > [Keyboard] as you wish.

### 1.2 Export and Import

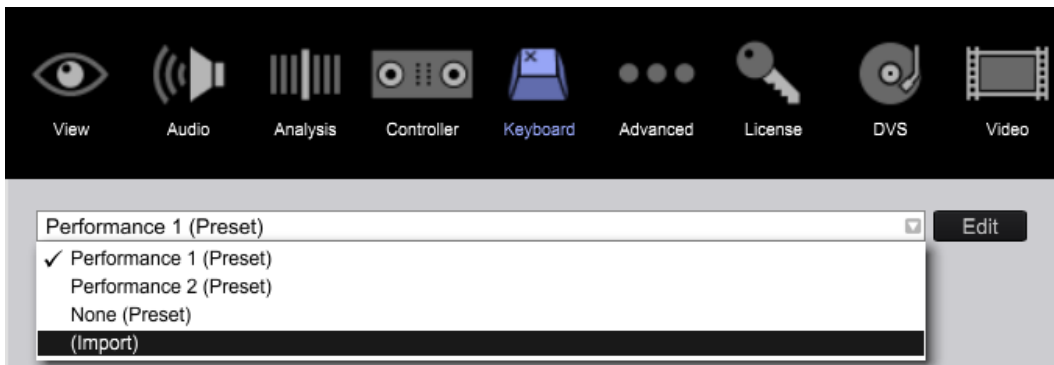

---

In the Performance mode, you can export the shortcut setting into a file and import it to other computers.

•Export

•Import

### **1.3 [ctrl] key and [command] key**

---

The [ctrl/command] key described below indicates [ctrl] key on a Windows keyboard and [command] key on a Mac keyboard.

### **1.4 [alt] key and [option] key**

---

The [alt/option] key described below indicates [alt] key on a Windows keyboard and [option] key on a Mac keyboard.
